Controversies, Art and Technology in Breast and Bodycontouring Aesthetic Surgery

May 18 – 20, 2012  
Ghent, Belgium

Dear Colleague ,

Inspired by the success of the CATFAS meetings in aesthetic facial surgery, the idea of CATBBAS arose. This similar international meeting focuses on Breast and Body Contouring Surgery. This gathering, ongoing from Friday May 18<sup>th</sup> 2012 until Sunday May 20<sup>th</sup>, will take place in Ghent.

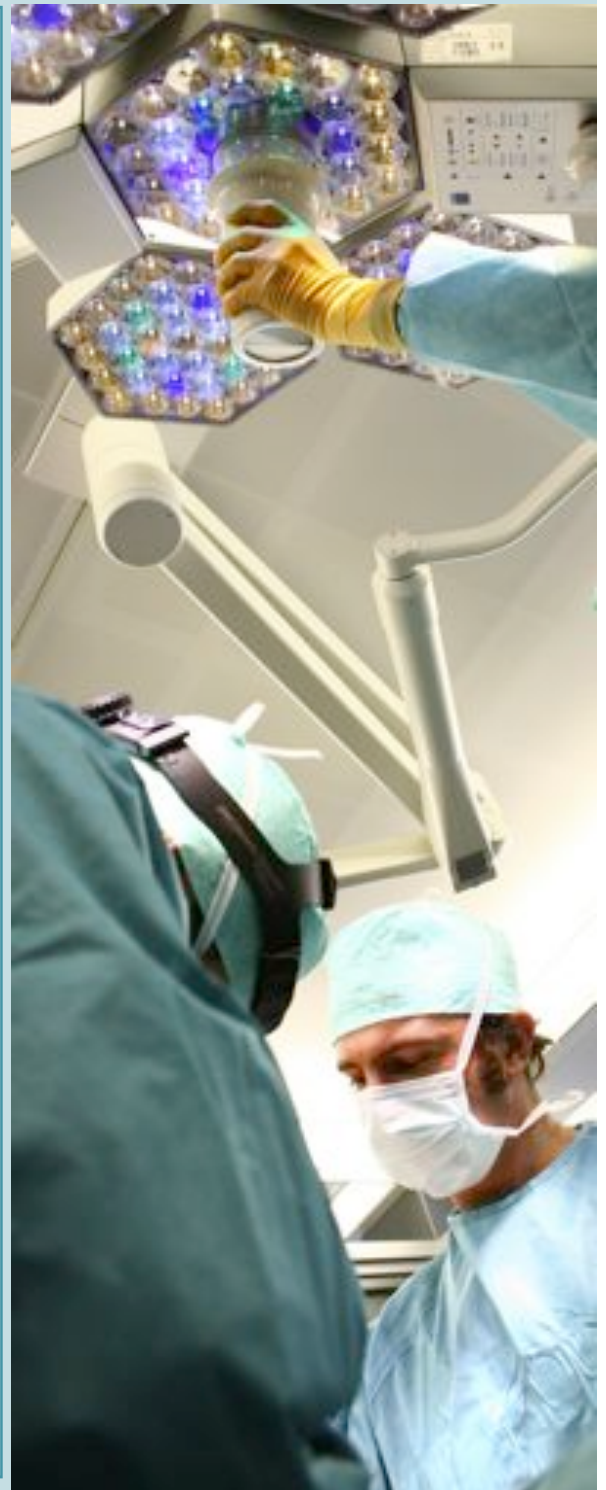

The CATBBAS is a joint venture between Patrick Tonnard and Alexis Verpaele of the Coupure Centrum for Plastic Surgery, located in Ghent, and Moustapha Hamdi, chairman of the Department of Plastic Surgery, at the Free University of Brussels.

The aim of the meeting is to gather renowned pioneers in the area of Body Contouring and Aesthetic Breast Surgery, in order to provide the audience with the state of the art in technique and technology, and additionally to discuss controversy and consensus extensively.

And of course, we will spoil you with a fantastic cultural and gastronomic program in the old medieval centre of Ghent.
